

The following citation list can be found on the **Partners in Information Access for the Public Health Workforce** Website at <http://phpartners.org/hp/>. This link is for the Healthy People 2010 Information Access Project section, where you will find a listing of many Healthy People 2010 focus areas, including vision. When you go to the vision page, you will be able to access National Library of Medicine PubMed searches related to each Healthy Vision 2010 objective. Below are citations for Objective 28-7. They were retrieved on February 29, 2004, limited to articles from the last 5 years.

Objective 28-7. Reduce visual impairment due to cataract.
